Note Following Rules

Emergencies

In case of sickness, fire or other emergency, employees of this company will cheerfully extend aid to subscribers in summoning assistance or obtaining information. It is understood that such services are given as an accommodation to subscribers, for which the compay cannot assume responsibility of any nature.

Listing Of Subscribers' Names

The company assumes no liability for damages accruing from errors or omissions in making up or printing of the Directory, nor can it guarantee the permanency of call numbers assigned or to be assigned.

Telephone Numbers

The subscriber has no property right in the telephone number, and the Company reserves the right to change the call number whenever it is deemed desirable in the conduct of its business.

Rate Information

If you wish to have the Long Distance operator tell you the cost of a call at the close of a conversation, notify her when you place the call.

Subscribers Are Responsible

For all charges for messages originating from, or reversed to, their telephones. The Telephone Company will furnish a list of calls for which tolls are charged, giving date and place called. Subscribers desiring more detailed information concerning toll calls to or from their telephones should make their own notes at time calls are made.
